

Trip Generation Guidelines

Trip generation procedures can be found on the following pages or on the W: drive at the following locations.

- ⇒ W:\AccessReview\Access Review Training\Access Manual\08-Trip Generation\Trip Generation training.ppt
- ⇒ W:\AccessReview\Trip Gen Training\Trip Generation training.ppt

Use this file to help guide you through the process of calculating trip generation by hand. However, if you prefer to use the trip generation software, TGen, you can view the following files for assistance.

- ⇒ W:\AccessReview\Access Review Training\Access Manual\08-Trip Generation\TripGen software training.ppt
- ⇒ W:\AccessReview\Trip Gen Training\ TripGen software training.ppt
